- Try Boogie Woogie Mat with no-slip socks, or your bare feet. You just need to make sure it doesn't feel too slippery, especially in warm weather conditions.
- This is a real workout! Remember to take a rest every twenty minutes or so. If you and your dance partner are starting to get sweaty, take a water break. Dancers need to hydrate!
- Please store the Boogie Woogie Mat with care, as in the original packaging. Do not fold the mat into quarters. Do not place heavy objects on top of the folded mat.
