## Alphaberry™

18 MONTHS TO 5 YEARS

### DON'T...

- Don't put your Alphaberry near any heat source or expose it to prolonged sunlight.
- Don't get your Alphaberry wet or immerse in water.
- Don't trade your Alphaberry for your mom or dad's Blackberry™. Yours is more fun!

## FUNCTIONS

- 1. ON/OFF BUTTON**  
Because sometimes you just want to be “off” :). To conserve batteries Alphaberry shuts itself off when left alone. Toggle this button to restart.
- 2. COLOR WHEEL**  
Turn this wheel to change the backlit color of the screen.
- 3. ABC SONGS**  
Press to hear music. Press again to play the next tune. Now you know your ABCs in Rock, Country and Blues!
- 4. VOLUME BUTTON**  
Roll button to increase or decrease volume to your liking...(or your mom’s!).
- 5. DISPLAY SCREEN**  
Display light comes on in various colors depending on position of color wheel. Letters A to Z are seen here following song tempos—or as you press the letter buttons.
