## I. BELUGA WHALE

Beluga whale

Tell me, how big is your tail?

I see you spoutin' and a swimmin'

And I hear you sing, beluga whale

Be, be, be, beluga whale

The arctic's cold, so I am told

But you don't mind 'cause your

blubber keeps you warm

Beluga whale

Tell me, how big is your tail?

I see you spoutin' and a swimmin'

And I hear you sing, beluga whale

Be, be, be, beluga whale

You have good friends,

friends to the end

You form a pod and you swim

and play with them

Beluga whale  
Tell me, how big is your tail?  
I see you spoutin' and a swimmin'  
And I hear you sing, beluga whale  
Be, be, be, beluga whale

They're my favorite  
Kind of veggie  
'Cause carrots go crunch,  
crunch, crunch

Horses crunch them for a snack  
And they'll eat them from my hand  
Horses crunch them for a snack  
And they'll eat them from my hand  
Horses love them, just like I do  
'Cause carrots go crunch,  
crunch, crunch

I'll sneak  
Sneak away  
See if you can find me  
And catch me  
Catch me  
Catch me if you can!

## 4. CLOUD GAZING

Lying on my back  
Looking at the sky  
I'm watching all the clouds  
As they're floating by  
I think I see a hippo  
It looks like it can fly

Cloud gazing  
In the middle of July

Lying on my back  
Looking at the sky  
I'm watching all the clouds

As they're floating by  
I think I see a cupcake  
Maybe it's a pie

Cloud gazing  
Oooh cloud gazing  
Oooh cloud gazing  
In the middle of July

they wrestle with glee  
They're puppies!

They're cute and cuddly  
when they're snuggling me

they're still babies  
They're gonna get big.

Oh, just you wait and see!  
They're puppies!

Playing in the sandbox  
Oh yeah, I'm playing in the sandbox

All day

I've got my pails and shovels –  
they're all bright green  
The sand's great! Best I've seen!  
I'm gonna build a castle with a moat  
I'll fill it with some water for my boat!

Playing in the sandbox  
Oh yeah, I'm playing in the sandbox  
Playing in the sandbox  
All day

I'm digging lots of holes –  
they're really deep  
They go on forever, or so it seems  
I took my shoes off – I'm in bare feet  
The sand between my toes feels so  
neat!
